To Whom It May Concern:

I am writing on behalf of Brian Clyde Sechler. Brian has worked for me on several projects over the past few years as a writer and a director.

Brian has a strong sense of compelling story line and imagery, and has proved himself to be very talented creatively. He is extremely resourceful when faced with challenging shooting conditions and limited resources, and has developed a shrewd eye for recognizing talented actors who consistently deliver good performances. His poised and personable manner with the cast and crew help keep sets running smoothly and efficiently, and his work ethic is commendable.

I have every confidence that he will continue to write and direct quality material throughout what I predict to be a very distinguished career as a filmmaker.

Sincerely,

Roger Corman
